

Instructions: Teacher assigns one of the five stick-puppets to five students.

- Receptive Language: Teacher recites poem/song and when the word to each of the images is recited the student holds up the stick-puppet for that word while the rest of the class watching signs the correct ASL sign for the word/image.
- Expressive Language: Each student recites their section/phrase of the poem/song and the rest of the class echo the student while signing the correct ASL sign. (Ex. student hold s up stick-puppet of dinosaur and recites **“Dino the dinosaur”**, and the rest of the class echo the student’s phrase while signing the correct ASL sign for dinosaur. The next student holds up stick-puppet of dentist and recites **“is a dentist.”** and the class echo the student while signing dentist...and so fourth.
